

Instructions for Blog Post 1 - Introductions

You should create your first blog post after you review the video on our class blogsite (which tells you how to register and log in). In that post, you need to tell us all a bit about yourself and answer the following questions:

1. Tell us a little bit about you, such as where you are, what you have done, and what you hope to do. (briefly, of course)
2. How do you use technology in your personal life?
3. How do you use technology in your professional life?
4. How do you utilize AI technology?
5. What do you believe are one positive and one negative impact of technology on social work practice.
6. Read at least 4 of your classmates' posts.
7. Make comments in at least 2 of your classmates' posts.

PLEASE SELECT THE BLOG CATEGORY WHEN YOU WRITE, SO IT WILL SHOW UP ON THE CORRECT POST PAGE.

If you have questions, please watch the video about using the blog to help you.
